Kites are Flying Fish

Publication Date: May 2021 Retail Price: 32.00 CNY Words: 100,000

►Book Introduction

This work tells a touching story about one soldier stationed in the Nansha Islands and the boys Aqi and Xia Shu living in the Jiangnan region of China. Aqi, an orphan who lost his parents, received funding from this soldier. The soldier, who had never had children of his own because of his job, treated Aqi as his own and often wrote to him to warm and encourage this lonely boy. The work skillfully convey their mutual affection and concerns through letters. One side is the soldier in the extreme harsh lonely coral reef with life and blood to defend the territorial seas, one side is the simple and pure children in the peaceful environment. In the process of getting to know each other and getting closer to each other, the soldier and the boys' lives illuminate each other.

★ Winner of the 8th China Excellent Publication Award; Selected as One of the Top 10 Children's Books of 2021 by China Book News

Stories have always been with us;
 Stories drive the progress of human civilization.
 I like to hear pretty stories;
 I also like to make up beautiful stories.
 This is my crafted works.
 I like it. I hope you like it, too.

--Cao Wenxuan
