岳阳楼记 The Yueyang Tower

Price: ¥49.80

Age: 7-12

Date of Publication: May, 2023

“洞庭天下水，岳阳天下楼”。岳阳楼被誉为“江南三大名楼”之一，其承载的“忧乐”精神是中华优秀传统文化的杰出代表。岳阳楼始建于东汉建安二十年，后因北宋滕子京重修岳阳楼，邀范仲淹作《岳阳楼记》而闻名于世，“先天下之忧而忧，后天下之乐而乐”成为中华精神的写照。

本书以洞庭湖中的小银鱼为讲述者，以时间为线索，用充满童趣的浪漫主义手法，为少年儿童讲述屈原、李白、杜甫、滕子京等历代名人志士在岳阳楼发生的小故事以及写下的千古名篇，解读了岳阳楼在中华文化中的重要地位和象征意义，展现了中华优秀传统文化中“忧乐”精神的代代相传。娥皇女英的眼泪落在洞庭湖的一条小银鱼身上，赐予了它不老的身躯。小银鱼在洞庭湖中自由畅游，也目睹了岳阳楼在历史中的修建和新生，目睹了历代文人志士在岳阳楼上登高远眺的场景。

Yueyang Tower is known as one of the “Three Famous Buildings in Jiangnan”, and its spirit of “care for the fate of nation” is an outstanding representative of the excellent Chinese traditional culture. Yueyang Tower was built in the 20th year of Jian'an in the Eastern Han Dynasty, and became famous in the Northern Song Dynasty after Teng Zijing rebuilt it and invited Fan Zhongyan to write a poetry *Yueyang Pavilion*. The verse “No doubt they are concerned before anyone else and enjoy themselves only after everyone else finds enjoyment.” has become a reflection of the Chinese spirit.

With the little silver fish in Dongting Lake serving as the narrator and time as the clue, this book uses a childlike style to tell readers the short stories and famous pieces that Qu Yuan, Li Bai, Du Fu, Teng Zijing, and other celebrities of all generations wrote in the past that took place in Yueyang Tower. This book explains the importance and symbolic significance of Yueyang Tower in Chinese culture, and shows how the spirit of “care for the fate of nation” has been passed down from generation to generation. The tears of Ehuang and Nvyang fell on a little silver fish in the Dongting Lake, giving it an ageless body. The little silver fish swims freely in the Dongting Lake, and it witnessed the construction and rebirth of Yueyang Tower in history, witnessed the scene of celebrities climbing up the tower and looking far away in the past generations.
