About us

Established in February 25, 2009, the Emirates Publishers Association (EPA) is a non-profit organisation dedicated to serving and developing the publishing industry in the United Arab Emirates (UAE) and to advancing the role of Emirati publishers through training and mentorship programmes and by improving publishing-related conditions and laws. EPA also aims to represent Emirati publishers at regional and international events, exhibitions and seminars on publishing.

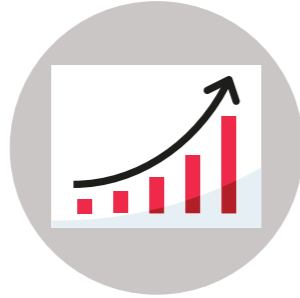

EPA works to disseminate the UAE's intellectual output throughout the Arab world and worldwide. It focuses particularly on translations from and into Arabic, and the protection of intellectual property and related rights.

EPA is a member of the Arab Publishers Association and a member of the International Publishers Association (IPA).

Why Become a Member?

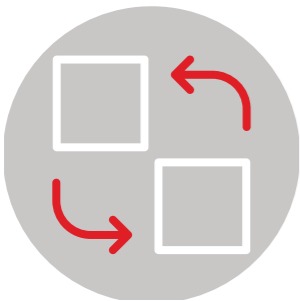

1. Have your voice heard

2. Promote your titles

3. Professional Development

4. Connect to the publishing industry

5. Better business and new access to markets

6. Members-only Directory access

Membership Criteria

1. The company should be owned by Emirati holding not less than 51% of it's shares.
2. Must be licensed by National Media Council
3. The member must be an adult of 18+ years.
4. Member must be of a good reputation and conduct himself or his business in a proper manner.
5. No charges have been issued against the publisher for any criminal offence, or restricted death sentence or ethical and moral affairs - unless and until rehabilitation was successfully completed.
6. Affiliate member (Government entities and other entities associated with the publishing sector) cannot vote in the electoral commission for EPA.

7. Fill up the membership form and submitting the required documents on our website: www.epa.org.ae

hala@kidsandteachers.net

Activities and Exercises 1

Author: Hala Hals

ISBN: 978-9948-16-226-1

Category: Children's educational

Brief:

Activities and Exercises 1 is supplementary to Reading and Writing. The author has made a great effort to provide useful assignments for what the students learn in school and to facilitate teachers' work.

Activities and Exercises 2

Author: Hala Hals

ISBN: 978-9948-16-227-8

Category: Children's educational

Brief:

Activities and Exercises 2 is supplementary to Reading and Writing. It presents a variety of drills and exercises that students can do at home. Mothers can follow up their children and write their observations to the teacher.

Reading and Writing 1

Author: Hala Hals

ISBN: 978-9948-16-222-3

Category: Children's educational

Brief:

The first part of the book deals with fourteen alphabets. The child should recognize each letter form and pronunciation, orally know the various words associated with the letters and use them in conversation. This helps the student name the things around him correctly and thus increase his wealth of vocabulary. The book helps the students know the letter, recognize it within words and write it.

Reading and Writing 2

Author: Hala Hals

ISBN: 978-9948-16-223-0

Category: Children's educational book

Brief:

Reading and Writing 2 presents the remaining fourteen alphabets. The student is given a week to master each, as in the first part. At this stage, there is a focus on the use of cards, models and wood and cloth toys with some other interesting methods.

Islamic Education 1

Author: Hala Hals

ISBN: 978-9948-419-43-4

Category: Children's educational

Brief:

An integrated curriculum introduced to kindergarten students. The first level introduces the principles of Islam and provides years 3 & 4 with basic and simple information.

Islamic Education 2

Author: Hala Hals

ISBN: 978-9948-419-44-0

Category: Children's educational books

Brief:

Islamic Education 2 is for the second level of kindergarten; it aims at instilling the correct information about Islam, its prophet and the holy book, "Quran", through meaningful stories. The child learns about Islam and what does it mean to be Muslim. He learns what to say and do in certain situations; in addition to the principles of good morals and how to well behave.

Dar Al Ausrah Media

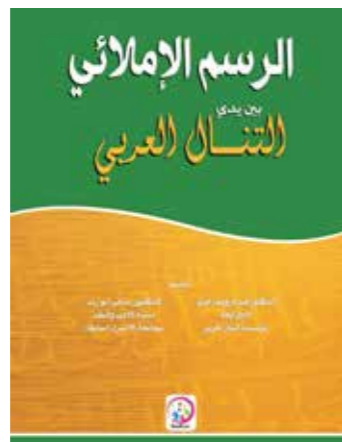

Dar Al Ausrah Publishing and Distribution was founded in the Emirate of Sharjah in 2013. It specializes in publishing and distributing books and stories for children and young adults. Dar Al Ausrah has also published novels of international literature, most of which are internationally acclaimed. These quality novels are void of any fault may offend our our children's modesty or promotes bad behavior and morals.

Al-Sheikh Al-Abyad (The White Sheikh)

Author: Dr. Sultan bin Mohamed Al Qasimi

ISBN: 978-9948-444-19-0

Category: History

Brief:

The White Shaikh is based on a true story that took place in the early 19th century. To write this novel, His Highness the Ruler of Sharjah didn't depend only on the documents he had, but he made a visit to the city of Salem in the USA, the town of Johannes Hermann Paul, Peabody Museum and the Documentation Center (Essex) in Salem.

The "White Sheikh", originally published in Arabic in 1996, tells the story of events that took place in early 19th century. It narrates the tale of an American boy, Johannes Hermann Paul, who found himself on board a ship coming from Salem city in the US that landed on the coast of Oman. It captures the story of how the boy was adopted and brought up by Sheikh Mohammed bin Aqeel, who was a reputed merchant in the Red Sea. Named Abdullah by Sheikh Aqeel, he succeeded his adoptive father and became a Sheikh in the Dhofar Province.

**Huraiz 1**

Author: Rashed Al Mansuri
 ISBN: 978-9948-13-618-7
 Category: Illustrated Stories

Brief:

Huraiz' story takes place in a world full of secret organizations and communities that have been fighting each other since ancient times under the cover of darkness to control and destroy humanity. Faithful defenders met challenges to fight darkness. So far, they fought successfully, and darkness could not destroy the light.

Huraiz' story takes place in a world where folklore, myths and legends are true, not just a fantasy. A world of magic, monsters, evil and good; all are presented very well. Huraiz' world is perhaps similar to ours in many aspects, but it is still a world of imagination, where our bedtime scary stories come to life.

I and Laila

Author: Ahmed Aal Jouda
ISBN: 978-9948-23-904-8
Category: Novel

Brief:

The story begins with Laila, the nymph who became a human being, and Marcus August, the old philosopher who spent his life in the sea. Laila begins her journey with Marcos aboard his ship. The journey lasts twenty-one nights. Each night, Laila learns something new about life. With the help of Marcus, she begins to know human feelings, such as happiness and love. But, Laila feels that there is something missing that has not been yet learned; a thing that connects man to the universe. Later, she realizes that she was looking for God. She tries to find God in her heart in order to get His everlasting love. It is a story of divine love; the author narrates it from the Sufi's point of view.

Write it down smartly

Author: Amal Aal Ali

Shubra mix

Author: Yousry Hassan
ISBN: 978-9776-233-62-1
Category: Literature

Brief:

Do not expect me to write about the history of Shubra; I am not a historian, nor am I even a geographer; if you ask me: What are you then? I will answer you, "I do not know who I am."

Terrains on The Silent Maps

Author: Siddiq Mohamed Gawhar
ISBN: 978-9776-233-92-8
Category: Study

Brief:

From the sidewalk of history, Al Sayegh begins his career with daring and grotesque method, describing, feeling, taking pride, and worrying, in his own way; in an adventure that combines the national and historical, the existential and humanistic.

The forgotten rise

Author: Shaaban Yusef
ISBN: 7-57-6233-977-978
Category: Literature

Brief:

This book is not only presenting unknown writers and critics. It is mostly discussing and posing a series of issues that have always been postponed or removed from the scene for the sake of other issues of the least importance. Because each of the 20 writers has a mission, and a concern that represents a vision in the history of the Egyptian culture. Those missions were divided between the political, social and cultural dimensions in general.

Approaches in criticism

Author: Howaida Saleh
ISBN: 9-08-6233-977-978
Category: Criticism

Brief:

Das Nachdenken über die Methoden, ein Werk zu lesen, erfordert, dass ein Kritiker mit einer unbegrenzten Anzahl von ästhetischen Kenntnissen und Erfahrungen vertraut ist. Sonst wird es zur Schulkritik, die nichts an Kreativität in sich hat.

God in Egypt

Author: Mohamed El Baz
ISBN: 978-9776-233-64-5
Category: Study

Brief:

I will not tell you about the first time I heard the name of God; because I do not really remember it. I do not know exactly how my relationship began with Him. Was it through intimidation or through incentives? I need not tell you that I have been a disbeliever of God in my youth, and started a special journey in search for God again.

Heart's birds

Author: Mokhtar Saad Shehata
ISBN: 978-977-6233-19-5
Category: Novel

Brief:

"If God were present, O Shuq!, as I thought in the "Small Basuna" many years ago, He would know more than them about what is in my heart. I wish my certainty were as strong as yours, O Shuq! I wish I were the same child who cried amid reeds seedlings calling Him to take revenge from the Maths teacher.

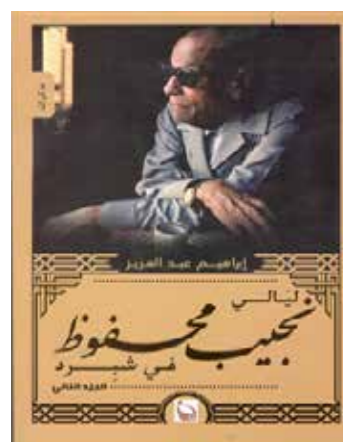

Anonymous Memoirs

Geschrieben von: Najeeb Al Rihani
ISBN: 978-9776-233-94-2
Category: Memoirs

Brief:

Najib Al Rihani enjoys an unprecedented attention of the Egyptian and Arab viewers. Despite his few works, his films have been so attractive for seven decades, and yet we note that there are those who tried to diminish his role on both the artistic and political levels.

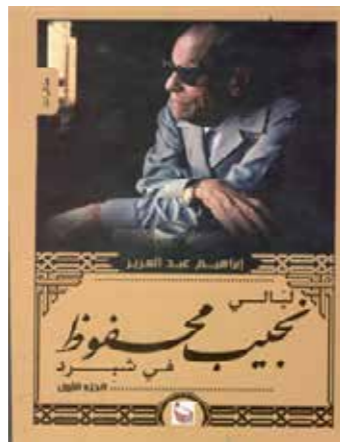

Nights of Nagib Mahfouz in Shubra (V2)

ISBN: 978-9948-203-01-8

Category: Children's Book - Educational

Brief:

The book of science is one of the most important textbooks in early childhood, because of its importance in developing children's knowledge, increasing their creative thinking, teaching them life skills, and meeting children's needs for knowledge and science.

"I and my teacher" series was written in accordance with modern learning strategies "problem solving, brainstorming and creative thinking"

The aim is to develop children's knowledge and promote their thinking skills

My language...how I master it Part I + II

Author: Mohamed Nasr

ISBN: 978-9948-184-96-6

Category: Children's Book - Educational

Brief:

This is the first part of My language... How I master I Master it?

A specialized book designed to help to master the basic skills of the Arabic language for people with learning difficulties to make up for the failure of ordinary and traditional methods. We did not stop at the point of learning the language, but we rather got through to mastery of the language and to address the difficulties of attention, remembering, and thinking skills for people with learning difficulties through exercises based on the audiovisual integration, taking into account the linguistic growth.

**“If there’s a
book that you
want to read,
but it hasn’t
been written
yet,**

**then you
must
write it.”**
