JANUARY – JUNE 2024

Michael O'Mara Books is a proudly independent publisher based in London. For over 35 years we have been cultivating a reputation that is nimble, strategic, and passionate, proving ourselves to be a powerful commercial force in publishing worldwide. We are dependent on the curiosity and creativity of our authors, illustrators, and employees to deliver an inspiring, trend-led list of titles that engages a broad readership. Across our three imprints we uphold a commitment to sustainability, implementing as many green policies and practices as possible in our publishing processes and working closely with charities that share our values.

At **Michael O'Mara Books** we specialize in creative and inspired adult non-fiction with authors ranging from Andrew Morton and Emma Mitchell to Marcus Chown and Simon Waterson. We are passionate about our books and publish an exciting and varied list – from history and popular science to language; sport and biography to puzzles; gift and humour to craft – that reaches readers across the world.

LOM ART is dedicated to showcasing the most talented artists from every corner of the globe. Our beautiful and contemporary artist-led books will unleash creativity in people of all ages across various disciplines. From Kerby Rosanes' mythical and quirky colouring books to gorgeously illustrated gift books, the list exhibits what's hot in the worlds of art and culture.

Our award-winning children's imprint **Buster Books** creates engaging books for curious young minds. Our list is home to out-of-this-world authors like Dr Maggie Aderin-Pocock, Mike Barfield and Gareth Moore and is brimming with titles to spark imagination and encourage exploration. The books will satisfy the keenest of puzzle masters, budding artists and the deepest of thinkers. Above all, they are to be enjoyed!

Buster Books is also the leading UK publisher of interactive **LEGO®** activity books through our partnership with Ameet Publishing. **LEGO®** has been recognized as the number one globally trusted brand by both adults and children and was recently named as the second biggest brand in the world, following Netflix.

Last but not least, Michael O'Mara Books also distributes books by the small but mighty independent children's fiction publisher **Guppy Books**. Set up in 2019 by award-winning publisher Bella Pearson, Guppy produces an eclectic, diverse and entertaining list of books for children from the age of five to eighteen.

Dusty Springfield was one of the greatest pop singers in the world. From her 60s hits to her 80s collaboration with the Pet Shop Boys and beyond, she was a musical pioneer.

Twenty-five years after her passing, she continues to fascinate and inspire. This classic biography is based on over forty-five original interviews with close friends and people who worked with her, including Sir Tom Jones, Lulu, legendary arranger Ivor Raymonde, and many more. The book fully explores her life and legacy, from a troubled Home Counties childhood to 60s mod queen and solo star, to her struggles with addiction and mental health issues, to her status as an influential LGBT heroine and enduring pop icon.

What if some of the most iconic lives in human history were, for centuries, forgotten?

From the earliest human civilizations through to the present day, the stories of countless influential women – leaders, artists, warriors, scientists and more – have been ignored, forgotten, or actively suppressed. In *What's Her Name*, authors – and sisters – Katie Nelson and Olivia Meikle weave together the captivating stories of these forgotten figures to tell an alternative, enthralling and deeply researched historical narrative. Featuring biographies of incredible women spanning six continents and hundreds of years, from Ancient Egypt and the Roman Empire to Imperial China, the Americas and post-war Europe, and drawing on years of study and interviews with dozens of experts, this is a fascinating, thought-provoking look at the trailblazing women you've never heard of (but should have).

No new parent expects their offspring's childhood to be tainted by arrest or conviction: that only happens to other people's kids, right? Wrong.

In this compelling book, written by one of Britain's top experts in youth justice, Aika Stephenson reveals the extraordinary cases she deals with every day. From the obviously vulnerable to the A-grade student from a stable upbringing, Just for Kids Law, the campaigning charity co-founded by Stephenson in 2007, has helped thousands of children and young people overcome the difficulties they face. From playground mischief to issues with immigration status, from housing to county line gangs, accomplice liability and much more, this book lays bare what goes on behind the scenes, from the police station to the young offenders' institution.

'An enthralling real-life murder mystery that also sheds new light on the creation of fiction's most famous detective.' – *Daily Mail*

In 1893, young army officer Cecil Hambrough was murdered, unleashing one of the most gripping court cases Victorian Britain had ever known. The case brought together two pioneering forensic experts – Joseph Bell and Henry Littlejohn – on whom Arthur Conan Doyle's Sherlock Holmes had been based. In this extraordinary book Daniel Smith outlines the key roles of the two men whose powers of deduction had so inspired Doyle and explores the real-world origins of Sherlock Holmes.

World | £12.99 | Colouring
Publication date: 21/03/2024

An astonishing compilation of Kerby's most iconic illustrations featuring reflections and symmetries.

Kerby's use of mirror imagery has created some of his most popular artworks. *Reflections* is a celebration of this striking technique, bringing together the most dazzling examples from across his entire collection, including some as you've never seen them before. Kerby fans will delight in colouring a diverse selection of scenes in this new and exciting way, from mirrored mythological realms to reflected flora and fauna from our own natural world.

Featuring vibrant finished pieces coloured by his fans, colourists can explore a range of colouring techniques. Kerby's tips, tricks and stylistic comments accompany each image so that readers can learn how to employ their own colouring skills. This collection also includes an introduction to colour theory and the science and art of using a colour wheel. Readers can learn about complementary and contrasting colours and how to use them in order to create stunning visual effects.

Please note: This book contains material previously published in *Alien Worlds*, *Animorphia*, *Fantomorphia*, *Fragile World*, *Geomorphia*, *Imagimorphia*, *Mythic World*, *Mythomorphia* and *Worlds Within Worlds*.

ILLUSTRATED BY MIKE BYRNE

ISBN: 9781780559209
278x240mm | 32pp
Full-colour | Paperback
World | £7.99 | Picture Book | 0-5 Years
Publication date: 22/02/2024

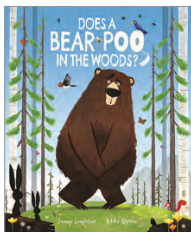

A laugh-out-loud picture book about tooters across the animal kingdom and beyond.

Jerboa is going about his day when he releases a squeaky, stinky toot which shocks the shy creature into thinking he's done something wrong. Luckily, Elephant is on hand to weigh in with a wise word; after all, no matter how cheeky it might sound, EVERYBODY TOOTS!

Join Elephant and Jerboa on a journey through the bottom-singing animal kingdom and beyond, to explore the secret (and not so secret) lives of tooters everywhere – from the gentle hums and private pongs, to the earth-quaking whoppers and loud and proud trumps.

With comic rhyming text from Jonny Leighton and entertaining illustrations from Mike Byrne – the dynamic duo behind *Does a Bear Poo in the Woods?* and *Which Bum's Mum's?* – this picture book will have kids roaring (and perhaps even tooting!) with laughter.

Join Goldilocks and her friends in a magical picture book that carries the reader off to fairy-tale land and beyond.

Goldilocks wants to play and wants someone to join her adventure. But Mum, Fairy Godmother, the three bears and a whole family of familiar fairy-tale friends are too busy with their chores to play. Her marvellous plans are met by 'Not Now, Goldilocks!' but everyone promises to play with her later ... Join little Goldilocks and her big imagination as she discovers that even when loved ones are too busy to play, adventures for one can be just as much fun. And when she really needs them, her family and friends will be there for her to play and help save the day.

Not Now, Goldilocks! is an energetic, rhyming text that follows the fun-seeking Goldilocks on her journey of discovery through fairy-tale land and into a realm of creative play. A book to encourage and inspire independent play in children with a reassuring message of love and support even when their grown-ups are busy with other things.

Written by Holly Ryan, author of *Never Mess With a Pirate Princess* and giggle-inducing illustrations by Navya Raju, an illustrator and designer from Hyderabad, India. Children will adore spotting the characters they know and love in a new and funny story.

Publication date: 09/05/2024

The first book in a new puzzle adventure series takes readers on a thrilling adventure in the company of Knutz, a STEAM whizz-kid, and canine super-inventor Boltz.

Knutz and Boltz are waiting for a live stream of their favourite vlogger, the Sorcerer of Science, who performs experiments for her legions of fans. But today a strange, masked figure has taken over her feed. He introduces himself as Dr Chaos, and says he's taken the Sorcerer prisoner ... Knutz and Boltz will have to use all their STEAM-skills to tackle the fiendish challenges in the Mansion of Mayhem in order to save the Sorcerer and defeat Dr Chaos!

Featuring an innovative mix of graphic-novel pages, zany prose and integrated puzzles, this fast-paced adventure is guaranteed to engage kids aged 9+ in STEAM subjects. Across six chapters, readers will develop key science, technology, engineering, art and maths skills as they help Knutz and Boltz work their way through the challenges.

Written by Tim Collins, author of Buster's *Dorkius Maximus* and *Sherlock Bones* series, illustrated by Louise Forshaw, and developed with a specialist STEAM consultant.

BRILLIANT BODIES INSIDE AND OUT

WRITTEN BY LITTLE HOUSE OF SCIENCE
ILLUSTRATED BY JOSY BLOGGS

ISBN: 9781780558899
246x189mm | 96pp
Full-colour | Paperback
World | £10.99 | Reference | 8-12 Years
Publication date: 23/05/2024

Join Little House of Science on an incredible, behind-the-scenes tour of the human body. Discover where bodies come from, how they grow, their different parts and how they work.

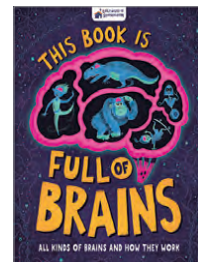

Brilliant Bodies Inside and Out dives deep into the inner workings of the body. From what goes on inside the stomach and the mechanics of the eye, to the different layers of the skin and what's inside the blood, this is the ultimate guide to the human body.

Six chapters cover the body's key systems, with easy-to-follow illustrations and diagrams accompanying each page. Each chapter also includes fun experiments to try at home, such as food-tasting and how to make a model lung.

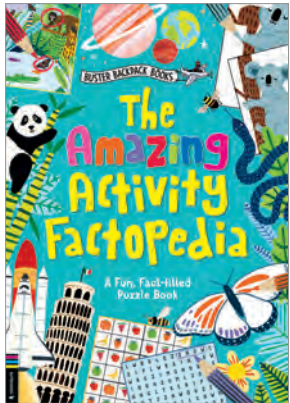

Each spread features fascinating comparisons with the animal kingdom. For example, did you know that the Hydra, a tiny animal that lives in water, has around 1,000 neurons, whereas humans have 86 billion? Scientists are amazed by its ability to survive with such a simple nervous system.

The final chapter in the book is all about amazing animal bodies. From an elephant's incredible sense of smell to the super sight of a bald eagle, readers can enjoy learning about the fascinating differences, and similarities, between their bodies and those of the animal kingdom. On the final page, readers are invited into The Animal Hall of Fame, which showcases record-breaking beasts, including the longest-living, strongest and tallest animals, alongside their human counterparts.
